

2002 Annual 610 Office Self-Assessment Grading Table for Each Tianhe District Township and Neighborhood

Work Unit:

Form Completion Date:

Project Examined	Detailed Guidelines for Point Deduction	Points Deduced	Points Gained
Organizational structure (10 pts)	1, Did not establish a 610 working group – deduct 3 pts.		
	2, Did not fulfill the “Three fixed quotas” – deduct 3 pts.		
	3, Did not include 610 work into the work unit’s schedule of important official business to discuss, and those that did not plan, research, deploy, investigate, compare and assess, or summarize – deduct 4 pts (according to meeting minutes, written materials, and on the basis of various investigative evaluations that serve to check up).		
Reporting for instructions (10 pts)	1, Failure to submit a “Statistics about the situation of Falun Gong practitioners who have not been transformed” report – deduct 3 pts; erroneous reports, late report – deduct 1 pt.		
	2, Failure to submit an annual 610 work key points report or missing second half 610 work key points report – deduct 2 pts; late report – deduct 1 pt (annual key points report must be submitted by January 3, second half key points report must be submitted by June 23).		
	3, Failure to submit a work summary report – deduct 2 pts; late report – deduct 1 pt (first half summary report must be submitted by June 25, annual summary report must be submitted by December 25).		
	4, Failure to report cases of illegal offenses committed by Falun Gong practitioners within one’s jurisdiction – deduct 3 pts; late report – deduct 2 pts.		
	5, Failure to report or submitting a false report about the situation concerning the five items of great urgency – deduct five pts per item; erroneous report – deduct 3 pts; late report – deduct 2 pts.		
	6, Failing to participate in each district meeting and training organized by the 610 Office – deduct 2 pts; late arrival or early exit – deduct 1 pt.		
Re-education (50 pts)	1, Failing to formulate a re-education program and report it to the district 610 Office – deduct 5 pts.		
	2, Failing to organize and perfect a ‘help and educate’ team in one’s work unit – deduct 15 pts.		
	3, Based on “The table of the situation of Falun Gong practitioners who have not been transformed in each Tianhe District neighborhood and township,” deduct 8 pts for every practitioner who has not been transformed (Wushan neighborhood, Shipai neighborhood, South Tianhe neighborhood, Xinghua neighborhood, Linhe neighborhood, Shahe township – deduct 5 pts for every practitioner who has not been transformed).		
	4, Failing to complete well the task of finding placement for Falun Gong practitioners according to relevant regulations– deduct 2 pts per practitioner.		

	5, Failure to retrieve those missing Falun Gong practitioners from the local jurisdiction – deduct 5 pts per missing person; Failure to formulate a program for tracing the missing people and putting it into action– deduct 10 pts.		
	6, Must establish a personal dossier for all Falun Gong practitioners who have been ‘transformed’ since July 22, 1999 and ensure that their “three statements” are on file. Failure to put on record – deduct 3 pts per person.		
Keeping lookout and control (20 pts)	1, Failure to formulate a program for inspecting and controlling those Falun Gong practitioners in the local work unit who have not been transformed – deduct 3 pts.		
	2, For every incident in which a person went to Beijing to stir up trouble – deduct 5 pts per person.		
	3, For every time a group of over 3 people gathered to exercise together in public – deduct 5 pts.		
	4, For every time a practitioner goes missing – deduct 8 pts per person.		
	5, For every time a large banner publicizing Falun Gong is hung – deduct 5 pts.		
	6, For every time Falun Gong publicity materials are manufactured and disseminated on a large scale (over 10 VCD CD-ROMS or over 20 leaflets on one occasion) – deduct 3 pts.		
	7, For every incident in which television broadcasts are intercepted and Falun Gong publicity broadcasts are inserted – deduct 10 pts.		
	8, If Falun Gong practitioners have died due to mistakes in work or oversight – deduct 10 pts; deduct 5 pts for self-injury...		
	9, If, during sensitive periods, lookout programs and measures were not implemented to the fullest – deduct 3 pts each time.		
	10, Failure to map out and carefully dissolve preparation work within the local jurisdiction for Falun Gong category incidents – deduct 3 pts per case.		
	11, For every occasion in which Public Security organs, National Security organs, etc. outside the neighborhood or township’s jurisdiction arrest Falun Gong practitioners who are distributing publicity materials, hanging posters, carrying out activities while away etc. – deduct 8 pts each time.		
Propaganda reports (10 pts)	1, Failure to report the launching of an investigative study into the situation and problems of tendentiousness – deduct 2 pts each time.		
	2, Failure to complete the annual 610 work investigative study or experience-based essay – deduct 5 pts.		
Examined Projects	Detailed Guidelines for Point Addition	Additional Points	Score

Re-education	1, Between June and December 2002, for every previously untransformed Falun Gong practitioner within the jurisdiction that the local unit, using its force and resources, was able to transform – add 5 pts; for every case in which job completion was announced one month in advance – add 1 pt.		
Keeping lookout and control	1, For every missing practitioner retrieved – add 10 pts. 2, Concerning projects that fall under the category of keeping lookout and control items 2-8, if because of the local township or neighborhood’s meticulous work it discovered and prevented an incident before it took place, or was able to arrest those running the operation – do not deduct pts; rather add 5 pts per incident.		
Propaganda reports	For every time the city’s 610 Office was able to use the investigative study articles or experience-based materials that were sent up for recommendation – add 5 pts; for materials used by the provincial 610 Office – add an additional 5 pts each time; for every time the central 610 Office use the materials add an additional 10 pts; if a memo from provincial Party committee or provincial government leaders praises or affirms such materials – add an additional 5 pts.		
Point total			

Note: Each township and neighborhood is asked to fill in this evaluation and submit it to the district 610 Office before December 25.
