

二炮医院肝胆门诊张涛大夫让去找住院处十一层于德磊大夫

23分19秒09

Z: 于大夫在吗?

P: 不在

23分19秒30

Z:咱们这能做吗?

P:做不了现在好象是在武警那做, 最近没做

Z: 您知道需要多少钱吗?

P:80到100万

Z:肝吧?

P:所有的

Z:您指的是手术下来以后是吗?

P: 武警做

23分20秒30

Z:原来(二炮)做过, 是吧?

P: 对, 原来做

Z:那什么时候就做不做了?

P: 我都忘了从哪年就不做了。医院不让做了。

Z:是(二炮)从今年开始(不做)的吗?

P:不是, 从17年吧! :在别的地方做, 武警做

Z:17年就不做了? 以后也不会再做了吗?

P:不知道, 看让不让做, 让做就可以做了。

改革, 军队不是改革嘛!

Z:那17年就不做了, 那就是已经停了一年了。

P:差不多吧

23: 21: 15

Z: 那我找于大夫也没什么用呀!门诊让我找于德磊, 那手术不做了, 我找他也没什么用了。

P: 李朝阳大夫管这个事情, 他不在。

Z: 咱不是不做了吗?

P: 可以联系上别的医院做呀!

Z: 他可以联系哈。叫什么朝阳

P:李

Z:去309也不让做了, 领导被抓了。说涉及到犯人

P:军改, 和犯人没关系

李朝阳在二炮的简介及武警医院也有李朝阳的简介不知是否一个人

Second Artillery Hospital Hepatobiliary Clinic. Doctor Zhang Tao was asked to look for Doctor Yu Delei, from the inpatient section on the 11th floor

23:19.9

Z: Is Doctor Yu here?

P: He's not here

Z: Can we do it here?

P: We can't now; it seems that it's done at the Armed Police hospital. We haven't done it recently.

Z: Do you know how much it costs?

P: 800,000 to 1 million.

Z: Liver?

P: All

Z: Are you referring to the surgery?

P: The Armed Police hospital does it.

Z: You did this previously right?

P: Yes

Z: When did that stop?

P: I forgot which year — but the hospital no longer allowed it.

Z: Was it from the beginning of this year that the second artillery hospital quit?

P: No, maybe from 2017! At other places, the Armed Police hospitals are still active.

Z: So it stopped in 2017? It did not continue afterwards?

P: I do not know. It depends if it is allowed; if they allowed it we'd do it. There is the military reform, remember — isn't the army reforming!?

Z: So it stopped in 2017, that means it's already a year now.

P: About that.

23: 21: 15

Z: Then it will be little use for me to find Doctor Yu. The clinic asked me to talk to him, but there won't be any operation so there's no use looking for him.

P: Doctor Li Chaoyang is in charge of the matter, but he's not here.

Z: So, isn't it the case that we're not doing it?

P: [He] can contact other hospitals who will do it!

Z: Ah, so he can connect me. What was the name, something Chaoyang?

P: Li.

Z: I went to 309 [military hospital] but they wouldn't allow it. The leader had been arrested, and it was meant to be connected with prisoners.

P: It was to do with military reform. No relation to prisoners.
