

Video of Dr Francis Delmonico presenting at a 2018 Pontifical Academy forum

1. Dr Delmonico shows a photograph on his powerpoint of Falun Gong practitioners with a FG banner, Dr Delmonico states at the same time as showing this photograph "In China where people were being executed. A decade ago nearly 6000 were being executed each year as a source of organs for patients coming from around the world to undergo transplantation in China."

The FG banner on the images he shows say 'Sudden surge of transplants in China coincides with genocide of Falun Gong'
